

Antech Diagnostics is now the exclusive distributor of CADET® *BRAF* and *BRAF-PLUS*. **These products will no longer be available through the Sentinel Biomedical website**, and will only be available for ordering by veterinary clinics.

To order CADET® *BRAF* sample submission supplies:

US customers - please call Antech customer services on **1-800-745-4725** or log in to the Antech Online portal at <https://online.antechdiagnostics.com/login.html>.

Canadian customers - please call Antech Canada on **1-800-341-3440**

All other countries - please contact Antech customer services via <https://www.antechdiagnostics.com/contact>

If you currently have Sentinel Biomedical CADET® *BRAF* service packs in the clinic, please contact Antech customer services on **1-800-745-4725** to arrange collection of these samples.

Any dog owners who have existing CADET® *BRAF* service packs can submit those samples using the shipping supplies provided by Sentinel Biomedical, as per the instructions supplied with the service pack.

If you have additional questions, please call Antech customer services on **1-800-745-4725**.
